## 2022 Outback Car Trek Entry Form

Saturday 4<sup>th</sup> June to Saturday 11<sup>th</sup> June  
Parkes to Hervey Bay

The 2022 annual Outback Car Trek, raising funds for the Royal Flying Doctor Service, will be conducted over 7 days. The Trek will leave after a participant's briefing from Parkes in NSW on Sunday morning June 5<sup>th</sup> and will arrive at Hervey Bay in Qld on Saturday afternoon June 11<sup>th</sup>.

Participation in the Outback Car Trek is a reward for raising \$7,500 (or more) for the Royal Flying Doctor Service of Australia and is an event for older model 2WD vehicles (Trek Cars) that comply with the published Supplementary Regulations, as amended from time to time. Also, a limited number of late model 4WD vehicles are accepted into the event as "Support Vehicles" (Supports).

Entries must be made using the following form, and will be processed on a first come, first served basis. All entries are subject to acceptance by the event organiser, and the event organiser reserves the right to refuse entry for any reason.

The Outback Car Trek is only open to participants who are fully vaccinated against COVID, or who hold valid medical exemptions. Proof of vaccination or exemption must be provided with your entry, and may be required to be re-submitted in the lead up to the event.

### Some general comments regarding Trek 2022:

- If you entered the cancelled Trek 2020 and were unable to participate in the 2021 event, all monies will be carried over and credited to your entry into Trek 2022. You will still need to complete an entry form for Trek 2022 to secure your participation, regardless of whether you have already paid money. Spots into the 2022 event will be allocated on a first come, first served basis if we are required to limit participation numbers for any reason.
- There has been a change to the car eligibility criteria since 1<sup>st</sup> January 2021. From that date 2WD motor cars more than 30 years old (plus identical model run-ons) will be considered for entry into the Trek, as long as they comply with the Trek Supplementary Rules & Regulations.
