## 2025 Outback Car Trek Bathurst to Cairns via the Gulf Thursday 29<sup>th</sup> May to Sunday 8<sup>th</sup> June

2025  
is our 35<sup>th</sup>  
Birthday year!

*The route may change at any time at the discretion of the event organiser.  
Acceptance into the Trek will be at the absolute and sole discretion of the Trek Director.*

The 35<sup>th</sup> annual Outback Car Trek, raising funds for the Royal Flying Doctor Service, will be conducted over **10 days**. The Trek will leave, after a participant's briefing, from Bathurst NSW on Friday morning May 30<sup>th</sup> 2025, and will arrive into Cairns in Far North Queensland on Sunday June 8<sup>th</sup>.

Participation in the Outback Car Trek is a reward for raising \$7,500 per vehicle (or more) for the Royal Flying Doctor Service of Australia and is an event for older model 2WD and AWD vehicles (Trek Cars) that comply with the published Supplementary Regulations, as amended from time to time. Also, a limited number of late model 4WD vehicles are accepted into the event as "Support Cars" (Supports).

**Trek Cars:** The Trek is an event predominantly for older model 2WD and AWD cars. The car eligibility criteria is that motor cars more than 30 years old (plus identical model run-ons) will be considered for entry into the Trek, as long as they comply with the Trek Supplementary Rules & Regulations.

**Support Cars.** Support vehicles are also accepted into the event on the proviso that these vehicles will readily and willingly provide whatever assistance may be required, to any vehicle participating in the Trek which requires help of any kind. Whilst Supports may sometimes join a team, it is important to note that a Support vehicle is not there to support *only* that team. Support vehicles are not just luggage carriers, they are required to support each and every car in the Trek, regardless of whether the occupants are known to them or not.

Each entry, be it Trek car or Support, is required to abide by the Trek Code of Conduct, and submission of your entry is an acceptance by the team captain and crew that you have read, and agree to adhere to, that Code of Conduct, as amended.

1. Donation
2. Entry Fee
3. Disbursements Fee

2. The Entry Fee - \$1,100 (per vehicle). Payable to the Royal Flying Doctor Service South-Eastern Section.
  - a. The Entry Fee includes GST.
  - b. The Entry Fee is non-refundable, unless your entry is not accepted for any reason.

  - b. The Disbursements Fee is non-refundable unless your entry is refused for any reason, or you withdraw more than 45 days prior to the Trek commencement date.

The Entry Fee is payable to the Royal Flying Doctor Service and covers many of the costs of putting on the event, including the costs of the volunteer officials meals & accommodation, their vehicle running costs, plus other expenses.

The Disbursements Fee is also payable to Royal Flying Doctor Service and covers a multitude of costs, including all meals with the exception of the lay day in Longreach on Wednesday 4<sup>th</sup> June. The Disbursements Fee also covers a variety of other items such as various Council hire fees, the hire of catering venues & equipment, audio visual hire fees, entertainment, public liability insurance, the cost of any photography, coach transfers, some camping fees, National Parks fees, your road books and a great many other expenses.

Guests are welcome to attend the Gala Dinner at the Pullman Cairns International on the final night of the Trek, Sunday 8<sup>th</sup> June. The charge for guests for this event is \$260 per guest.

**Donations & administration:** For ease of management, the RFDS South-Eastern Section administers the donations made via the Flying Doctor Outback Car Trek, however the donations are channeled back to your home operating section. For example, if you enter a car from Toowoomba, your donations are sent to Queensland Section, if you enter from Kalgoorlie your donations are channeled back to Western Operations, and so on.

The Royal Flying Doctor Service has set up an umbrella web page for fundraising, and you are able to easily create your own page and circulate the page amongst your contacts. This is a great way to increase the amount of funds you raise. You can create your web page by following this link:

Please do not open your own web-based fundraising page without using the above link.
